I think Sara's right – this is probably Doug's shop. Katie sent the letter to Doug earlier. Do you want us to do an attorney assignment?

My gut says ARD signature but we're happy to be involved. As you know, we don't usually speak about doing enforcement against the state themselves. The authorities have been discussed before in the one off cute situation, but I feel like it was always Eric that proposed it. Not sure if it is enforcement in a traditional sense or a grant discussion.

Fyi. Please let me know which Division will respond. I'll make sure you have ORC support.
